Re: • **Docket 2019-184-E**

Ms. Boyd:

I am counsel of record in this Docket for the South Carolina Solar Business Alliance, Inc., (“SCSBA”). Please share this Request with the Commissioners.

For your reference, please see Commission Directive Order No.: 2020-420, dated June 17, 2020, and issued in this Docket. That Directive Order establishes a responsive date of July 6, 2020, as the date by which parties may submit comments on Dominion Energy South Carolina, Inc.’s, (“DESC”), proposed mitigation protocols.

Because of the complexity and importance of DESC’s proposed mitigation protocols, SCSBA respectfully requests a fourteen-day extension from the current July 6, 2020, response date, until and including Monday, July 20, 2020. I would note that DESC also received an extension of time to make DESC’s latest filing on DESC’s mitigation protocols and SCSBA did not oppose DESC’s request for an extension of time. Also, the July 4th Holiday occurs just before the current July 6, 2020 response date.

All parties of record are copied hereon, and this Request is,

Respectfully Submitted,

/s/Richard L. Whitt
